

Dale Edward Strate

January 28, 1945 - January 27, 2017

Dale Edward Strate, son of the late Lloyd Strate and Lucille Gudde Strate was born January 28, 1945 in Kansas City, Missouri. Dale departed this life January 27, 2017 to be with his Lord. He lived his whole life in Holden, graduating from Holden High School in 1963. After graduation, he was employed by his uncle as a plumber. On October 23, 1965, Dale married his Arkansas sweet heart Linda King, and on March 2, 1970 their son Michael was born.

Dale was employed at Comfort Equipment Company in Holden before he and Linda purchased Strate's Drive Inn in 1972. There is where he spent most of his life enjoying people, especially kids. He always had things to say to them but was always willing to give them suckers and ice cream for the trouble he gave them. Some kids called him the "Sucker Man".

Dale was a farmer and enjoyed the simple things. The history of Holden was a favorite, watching the trains go through Holden, and attending the Chilhowee Farm Show. Dale was a member of the Holden First Baptist Church, where he served as trustee for several years.

He is survived by his wife Linda of 51 years; one son Michael and wife Avegail, Holden, Missouri; one brother Gary Strate and wife Susan, Holden, Missouri; one sister Shirley Reynolds and husband Larry, Independence, Missouri; two granddaughters, Dana and Mauri, one grandson, Kazuya, one great grandson, Cameron, and one great granddaughter Vera, and many nieces, nephews and friends.

In lieu of flowers the family request memorial contributions be made to the Holden Cemetery Association.

Visitation will be February 4, 2017 12:00pm to 2:00pm at the First United Methodist Church, Holden.

A Celebration of Life Service will be held at 2:00pm on Saturday February 4, 2017 at the First United Methodist Church, Holden, Missouri with Pastor Harry Moore officiating.

“ A few years ago, my family had the fortune of becoming neighbors with Dale and Linda. If you looked up the meaning of the word "good neighbor" there would be a picture of Dale. He was one of the best. He welcomed my family with open arms to and went out of his way to make us feel welcome. His kindness and compassion was second to none. He was a blessing in our lives and his memory will not be forgotten.

“ So sorry to his family, as a late comer to this community I remember him from the drive in, good food and friendly people

“ Linda, I'm so sorry to hear of Dale's passing. I have lots of memories of the time I spend working for the two of you – back when we were all much younger. My best memories of Dale are of his kindness to our elderly customers. Gruff as he was at

time, he'd often tell me to drop in an extra piece of chicken, knowing that the basket was probably the only real meal the person would have that week. Lots of people passed through your doors while you owned that Drive In, and Dale touched us all. You and Michael are in my thoughts and prayers.

“ Uncle Dale would always torment the little kids, me included. I remember the time I irritated him so much he let me play continuous games on dig dug and then he was often trying to find me a boyfriend in Holden. He may have tormented the little ones but it was always in a loving way. So sorry for your loss Aunt Linda and Michael.

“ Linda, I was sorry to hear of your loss. I have many good memories of the times Roy and I would eat the best tenderloins in town and Dale would come out and share a coffee with Roy. He, Roy, and some of the other Fire Department guys enjoyed sitting around and shooting the bull over coffee. Roy has been gone for 13 years now, but maybe they are sitting there enjoying coffee together again. God be with you and your family and give you His peace.

“ I have many fond memories of working at Strate's Drive Inn and the many funny things Dale would say to me. For example if he thought I was spending too much time talking to a guy he would say " get his number and talk to him on your own time " or if you got the task of cleaning the windows during a Saturday afternoon he would say " make those (windows) shine like a diamond in a goats butt"! That was usually followed up by a whaaaa and a hearty laugh! I truly hope you know how many lives you have touched. Thank you Dale for the life time of memories, for giving me my first job and helping to shape the person I am today.

“ I, along with so many others, have so many fond memories of working for Dale at the Drive Inn. Dale and Linda taught us what work ethic was, and we have all taken that with us to benefit our future employers. He was a Holden icon and will be greatly missed. Sending prayers for Linda and Michael during this difficult time.

“ Linda and Michael, so very sorry to hear of your loss. I remember my father speaking of the coffee group (they had a special name for themselves, but I can not share that), and how much he enjoyed his time spent with Dale, and the rest of the guys. Mother and dad always enjoyed having lunch at the drive inn, when dad was still in business. I am sure Dale and Daddy will have a lot to talk about over coffee. My thoughts and prayers are with you both. Pam (Garrett) Lukenbill

“ I would take my son in or through drive-thru and he would tease him by calling him Dale and let him pick out a dum dum sucker from jar after that. He was always grateful for us spending our money in his place of business. Our thoughts and prayers are with Linda and Michael at this time.

“ So many young ladies, including myself, learned how to work at Strate's Drive Inn. Dale will be missed so much in our little community. I worked there in my early twenties and now take my grandkids in for ice cream. He loved to tease the little ones that came in. But always in such a way that they knew he was joking around. Hugs to you Linda!

Jeanie Bland Anstine - January 29, 2017 at 04:34 AM

“ Working at Strate's Drive Inn was my first real job! Dale was kind of gruff and scary at first but once you got to know him, he was a big teddy bear! We worked hard, learned a good work ethic and about responsibility. We also had fun too! One of my funniest memories of him, was back in the late '70's. Linda had gone to visit her sisters in Arkansas. Dale stayed behind to work the drive inn. He came in that morning with plaid pants and a striped shirt! He could not understand why he couldn't wear that! After everyone quit laughing, we sent him home and told him to put on solid pants or a solid shirt which he did! Later, when Linda got back home, he got several new solid polos and he never made the mistake of wearing stripes and plaids again! Another fond memory was Dale helped me to convince my mom to co-sign a loan for my first car! It took a lot of convincing but he almost guaranteed me a job until I got the car paid off and that the car wasn't a lemon! I paid the car off early and it was a great car that I drove for years! Lots of hugs and prayers for Linda and Mike at this sad time!

“ So many good memories with Dale and Linda , Brenda, Jeff n I all worked there together in fact I was working there before Dale n Linda . We worked hard but also had our share of fun , we would always tease Dale when he would come in at night sometimes with a big old steak n throw it on the grill ..He love his drive inn but I think it was the people he liked most , he could set with pots of coffee n visit all day if they would be coming in ;) .remember him letting us peel those old stinky onions out back under the tree in the shade cause they were killing our eyes , had a lot to peel. Jeff shared with me today about how Dale gave him extra money when he bought his black camaro for Michael he had only had the car for two days Dale seen it followed him home and ask if he would sell it ..he was floored by Dales generosity he said no one had ever done that n he will never forget it .Dale was a funny , generous , friendly business man . He will be missed by many , thoughts n prayers to Linda , Michael n Dale's family n friends.

“ Dale and Linda hired me for my first job. They held us accountable for our job responsibilities and what quality customer service was all about. We had a great crew that had a lot of fun at work but at the end of the day we all did what we were expected to do. Great memories. Seems like just yesterday. Thank you Dale and Linda. Praying for comfort.

“ I shall miss Dale. He always spoke to or waved at me whenever he saw me. When he discovered that I lost some of my childhood memories he would tell me what occurred on the school bus that we rode together. He was a good Christian who did as Christ instructed us. Condolences to Linda and Mike.

“ Dale would always give my son a free ice cream cone when we ate there and most recently carried the tradition on to my grandson. Will miss seeing him after a late night baseball game this summer.

“ Dale was a great man to the Holden community...Always welcoming to everyone who came into Strate's and reminding them to come back again soon. He was so gracious and had so much patience when we would bring our large number of Girl Scouts in for an ice cream social and never complained about how chatty the girls gotten. Dale will be sorely missed. Thoughts and prayers are with Linda and family. - Alicia Todaro

Dale would ask have you tried the funnel cake fries or what ever was on his mind. Or how's it going. Always kind words. Thoughts and prayers to Linda and the family.

“ He was one of a kind! He would always joke or tease. Even when you could see he wasn't feeling his best. I remember once when he referred to Linda as "that little blonde haired cheerleader", with love for her in his eyes. RIP Dale. You were a big presence in this town. Condolences to his family.

His sense of humor often left me speechless, but chuckling. Solid, honest, devoted to those he loved, Ron and I will miss his presence in town.
