“ I am sad to hear of the loss of Grady. He and I attended central Missouri Sate college in Warrensburg during the year of 1959. Grady was a fun guy and was always cheerful. Grady was an entertaining pianist as well. Great family, Sudie Haight and Betty Kanoy to mention a few. I would be pleased to hear from Sudie Haight and or Betty Kanoy to express my condolences to the family. . 913 982 6130. Bob CUSUMANO

“ I had the privilege of working with Grady at Holden. He was such a kind man. The students loved having him as a sub, enjoying his many stories. I am very sorry for your loss.

“ Mr. Hibbs was such a wonderful substitute for our class. He praised us (Class of 2007) every single time he subbed for one of our classes. Many of us loved having him in Holden because he had so many stories to tell. He specifically told me many, many times how much he believed in my passion to write and how great I would be after I graduated high school. I was published while in collage and thanks to people like him, I keep writing. His encouragement and kindness will stay with me forever and I treasure the memories I have of him. My thoughts and prayers are with his family and friends through this difficult time. He was nothing short of a great man who always made everyone he came into contact feel important.
