“ Farewell dear Anamae. She was my father Russell Harris's first cousin. Twenty-eight years younger than him, she gave me a connection to his Missouri roots long after he was gone. She was dedicated to family and family history. We shared many wonderful adventures prowling the old Russell haunts around Jackson and Johnson Counties, she shared endless stories from the old days, and was always so generous and kind and intelligent. I will miss her and will never forget her Special thanks to our cousin Klonda Holt who dedicated time and care to her in her last years. Jon Harris, Richmond, California

Anamae was a great lady. I know her in the early 50's growing up in Holden. Got reconnected with her in later years. She was a great friend of the Holden Cemetery. My deepest sympathy to her family, may God bless her.
