“ Anna,

I was one of my closest friend I knew her from a few places and not a one of them bad. We would hang together even when she was not at work. We had a lot of fun together and I will dearly miss her. Heaven just received another angel and I know that no matter what she will be waiting for all of us to come home at the right time. RIP miss Anna we love and miss you

“ *Anna was family to a lot of people. She was a very sweet, funny and just a very kind lady with a heart of gold.*

One day we were joking around and we started calling her Annie Oakley, then about a month later she had come home with her cowgirl boots & hat, she was so proud to show her new stuff off. Annie was also very crafty. She would put huge puzzles together and frame them and give them away. She did tons of different crafts and even learned how to sow.

Most of everything Anna made she would give away to her friends & loved ones.

I will truly miss this sweet soul.

The 22nd was a very sad day for me and I'm sure for others as well. I will miss you my sweet friend, but I know you are in heaven having a blast!!!

“ *Will miss her wild hair and wonderful big smile. Anna was a friend to all, and full of joy and life. She will be greatly missed. God gained a joyful angel with wild curly red hair.*

A blessed person who knew Anna as a friend
