“ Betty was one of the first people I met when my family and I moved to Pittsville Missouri back in 1979. She was always smiling and willing to help and invited us to her church Enon Baptist Church of Pittsville. She had a milk cow and I used to buy milk from her and butter! I loved that! Because of Betty I am now a 37-year member of Enon Baptist Church and very active in it. Betty's Christianity and contagious smile and laughter was loved by all!

“ Betty was one of the first people I met when I moved from Independence to a new home in Pittsville with my husband and one young child in 1979. She had a milk cow and would sell me gallons of milk and butter. I loved that! She invited me to her church Enon Baptist Church of which I'm still a member of today! Betty was a kind and Christian person with a loveable smile and laughter!
