“ *What a wonderful lady and neighbor for many years. Each time I returned to Holden to visit family and friends, I would stop and visit Betty. I was always amazed at how sharp she was. She would come to the door and call me by name every time. I couldn't believe she could still call me by name after more than 50 years. She was always such a sweet kind lady. I am grateful for her and she holds a special place in my heart. Love to Glenda, Janet, and Sharron.*

*Blessings,

Thank you Peggy. She was surprised and pleased that you would take the time to visit her. She would relay the story to us girls with real joy. I also understand that you have a family connection to our friend Lauren Carr.
