“ *We have so many memories of Charles. The number one thing that stands out was his love of the Lord and his hunger and knowledge of the Word. He was a Kingdom worker. Our sympathy to Marsha, the boys and the rest of the family as we know you will miss him so much. We are praying for comfort and this hard time. Jim & Peggy Stokes*

“ Dear Marsha,

My heart has been with you since Deidre told me about Charles. I can only imagine the flooding of thoughts, memories and emotions in your heart & mind. My impression in my short interaction of you both, in Seminary and in recent years has been of your kindness, gentleness and joy. Just this past Christmas in our brief conversation with Charles as we were taking one another's pictures confirmed those thoughts. I fondly remember those early days of Seminary Wives where we first met. You both have been such devoted hard workers for your family and the gospel. It is a wonderful model to follow and legacy to leave. I am confident many of the lessons you both passed on to Daniel are and will be passed on to his family. I pray in this new season of faith you will undoubtedly know it is your Almighty God and heavenly husband who is holding you up and carrying you along, making you useful to Him in ways you never dreamed. Pain and sorrow has a unique way of enabling us to see, seeing a clearer vision of who our God is and who we are in Him. I pray you will confidently know a confidence in our Lord Jesus Christ so strong that you will be able to face anything because you know He is with you.

“ *We were blessed to have him preach at Victory Baptist Church for the past few weeks. His teaching was much appreciated; he was a very Godly intelligent man. I regret that I had not gotten to know him better. Much peace to you and your family, Marsha. God bless you all.*

“ Charlie was consoling me on the school bus as we rode home after a day at College High School. I was crying because I had gotten a B in English on my grade card when every paper and test I had done had earned an A that quarter. Charlie made me laugh when he said "I'd cry too if I got a B". Your humor and friendship will be greatly missed, Charlie.

P.S. (The teacher later corrected my grade.) :-)
