“ My heart aches so bad, knowing you are no longer here. I will miss the cookouts, the dinner dates and just hanging out at the cabin, having great conversations and lots of laughter. However, I know you are no longer in pain, you get to spend every moment with your Brook and we will see you again, when our time comes and we are called home. Meshelle is the strongest woman I have ever known and my best friend! If it wasn't for your genuine kindness, I would never had the chance to have my best friend or our Missouri Family. You were so kind in bringing us into not just one family, but two families. I will always cherish the memories we had together, Boating, Chiefs games, Birthdays, Christmas and our trip to Hawaii. We made a lot of great memories and I will always hold them close to my heart. Who gives someone a car?!? Oh my goodness!!! The day you called Shawn and gave him that car, he literally had to pull off the road and pull himself together. The 2 of you had a lot of fun working on that car together. Cayden and Shawn are going to get that car in showroom condition, very soon in memory of you. Your "big buddy" like everyone else is having a really hard time with you leaving us so soon. He is lost with out his "little buddy" and just don't know quite how to get through this right now. We will always be family and we will always be here for Meshelle, Danyl and Stephanie and that is a promise. Save a place for me and meet me at the gate, when it's time for me to go to my forever home. I'll always love you and you'll always be in my heart and my memories.

“ We at Superior Aluminum Castings extend our sympathies to the family, friends and co-workers of Cliff. I personally did not know him but working in this industry for many years there is a common thread that goes through the family of foundry workers. In one way or another they all seem like family, we are all connected. I pray for peace and comfort for each one that loved, respected and called him friend. Losing someone with that much experience at Stahl will also be a loss.

Blessings to all of you.
