“ We are saddened to hear of the passing of your mother and grandmother. We enjoyed knowing both Connie and Jodie for many years. Garage sales will not be the same without her. May you feel God's comfort as you endure this time in your life. Our Sincerest Sympathy,

“ The memories of Fifth Street are flowing back into my mind. Those were some of the best times and some of my most precious memories. Using the basement when there was a tornado, playing cards, skating up and down the sidewalks. I am so sorry for your loss but the memories of the Jones's and the Holmes's will forever remain in my heart.
