“ *Dave was one of the finest men I knew. So many memories but I will never forget his first day at the warehouse we were busy and worked an 18 year old Dave hard. He called in on day 2 because he couldn't walk but said he would be back and he was. Lots of other great memories over the years far to many to mention. I will miss Dave.*

Dave will be missed so much...He was a good Christian. Dave was also a very good father and husband, to Jamie and the kids. Dave was the best son in law I could ever ask for. After asking to borrow my trailers and me telling him many times Dave no need to ask, you know your welcome to use anything I own...Dave never failed to make the call to ask anyway! I love Dave so much and will miss him something terrible! Most of all, I'll miss that smile on his face. Gone way to soon. Love you Dave! Until we meet again son. ❤️

David was looking forward to my retirement. He wanted to apply to replace me and always had questions about all the things I did for the district. I wish he could have achieved his goal.
