“ Elaine never knew a stranger and usually had all the news about Holden folks. I knew her best before she had her flower shop....that was many many years ago. She is another one of that generation we will not be able to replace and will be missed. Your family is in our thoughts.

“ Walt and Pat Sorry for your loss, we always would come into the liquor store with Mom and Dad, Jerry and Barbara Bilyeu and listen in on the lively conversations with you or Elaine. Elaine was always friendly and would ask about everyone when we came into the liquor store or flower shop. She had some great stories.
