“ I have known Aline over 40 years
I don't think I ever saw her when she wasn't smiling
She was a wonderful friend and she and David were partly
responsible for bringing Harvestors to Holden.
Harvestors has helped many people thanks to their caring.
Will miss her so much
Prayers for the family

“ My mother, Mary Williams, was also an Avon Lady and I remember
her talking about Aline and Avon meetings and products and Avon
awards etc. and mom considered Aline a good friend. Mary also had
dementia/alzheimers and so I understand the hardships you have
had and the loss you had endured even before she passed and you
have my sympathy and my prayers. I like to picture my mom ringing
on doorbells in heaven and passing out Avon catalogs and being
the happy vibrant person she was and I hope you can imagine Aline
that way too.
