

Francis Leroy Brillhart

January 3, 1935 - May 14, 2026

Francis Leroy Brillhart, age 91, of Holden, Missouri, passed away peacefully surrounded by his loving family on Thursday, May 14, 2026, in Holden, Missouri.

Francis was born on Thursday, January 03, 1935, in Belleville, Kansas, the son of Earl and Blanche (Stewart) Brillhart. He was one of three sons born to the family. At the age of five, Francis moved with his family from Belleville to Grain Valley, Missouri, in 1939, and then to Holden in 1940, where he would spend the remainder of his life building deep roots within the community he loved. He graduated from Holden High School and later married the love of his life, Loretta (Clapper) Brillhart who passed away in February 1990, together they raised three sons, Phillip, Forrest, Darrin Brillhart and one daughter, Cindy (Brillhart) Connell.. After Loretta's passing Francis married Carolyn McQueen and were married twenty years before her passing.

Francis dedicated 31 years of service to Bendix Corporation before retiring, but retirement never slowed his passion for serving others and remaining active in the Holden community. He was a man whose life was defined by service, generosity, music, and friendship.

Throughout the years, Francis held numerous leadership and volunteer roles within the community. He proudly served as Mayor of Holden for over 11 years and was actively involved with the Whiteman Community Council, the Emergency Management Committee, the Johnson County Community Health Board for 26 years, the Holden Chamber of Commerce, and several local

churches. His dedication and commitment to the people of Holden left a lasting impact that will not soon be forgotten.

In 1960, Francis opened Brillhart Music Store in downtown Holden, a place that became far more than just a business. For more than 66 years, the music store served as a gathering place where friendships were formed, stories were shared, and countless musicians were encouraged. Francis had a remarkable gift for helping others. He donated more than 100 guitars to benefit local causes, gave music lessons to children, repaired instruments and amplifiers, and installed intercom systems in area churches. He especially loved working with his hands and could almost always be found tinkering on a project inside the music store. More than anything, he enjoyed the people who stopped by simply to visit.

Francis will be remembered as a kind-hearted, knowledgeable, and deeply devoted man whose generosity touched countless lives throughout the community.

He was preceded in death by his beloved wife, Loretta Brillhart; second wife, Carolyn Brillhart his parents, Earl and Blanche Brillhart; his sons, Phillip, Forrest, and Darrin Brillhart; and his brothers, Russell and Virgil Brillhart; grandson, Charlie Brillhart.

“ What a joy it was to know Francis. I visited him many times the last few years that I lived in Holden. Oh what stories he could tell me about his long life. I always suggested he could write a great book. Also it was wonderful when Cindy and Jim fixed his living space there at the store. He was so grateful for them. Holden will miss walking by that open door and seeing him sitting there. He was a blessing. A friend, Donna Chaney

“ I rented a home from Francis at 6:06 West 4th Street in Holden for 12 years him and Reverend cone owned it together he was an amazing landlord remodeled the kitchen in the bathroom for me. We used to go out and see the Christmas lights he always wanted us to bring the grandchildren when they were out by the lake. He had so much knowledge I used to love to sit and visit with him even after I moved away I stopped by to see him at the shop where he had his apartment in the back we spent quite a bit of time just visiting and talking about the good old days he even gave me the knowledge of the flag in the yard and the history on it I redone that and there was some missing rocks he told me where to go get those the original place that they got the rocks that were the stars on the flag he even had a ride up down on it and put it in the newspaper I did it in honor of their son that is why the flag was put there. I am so sorry to hear this but Francis had a good long life and he loved life and was such a big part of the Holden community always volunteering and helping the young ones coming up and wanting to play music he would even give free music lessons. Donated several music items for the schools. He will be missed he was loved and such a big part of his community he loved everyone always a kind word to say soft spoken big heart.
