“*Frieda I am so, so sorry! I have been searching for your address and telephone # but only have your old 540#. Our Church doesn't have your new info! You two were such a good witness for our Lord and also for marriage. You were married just a few months longer than Lloyd & me and I can't imagine life without him. My heart hurts for you sweet Frieda! Call me sometime when you feel like talking. Our # is still the same in tne Church directory! Love, Janie*

“ *First of all, I am so privileged to know this Christian family. Garey and Frieda were and are great examples of what Jesus would want us to live and love others. I am a very close friend of their daughter, Vanessa. I know Garey was so well loved by his kids. He loved them so much and it showed. Heaven has gained another angel to dance at the throne of the Lord. May God always continue to bless this family with all of the teachings and love Garey gave to them.
