I sure enjoyed meeting Willina, she was such a special person, loving and caring. When Donnie and Larry would go to California to visit her sister and family. I would check on Willina for her. Giving her telephone call or go by to visit her which she always seem to enjoy. Sorry for the loss of your Mother to you and the family at this difficult time. Keeping you all in our prayers and thoughts. Keep all those great memories in your Hearts.

“ *I am so sorry to learn of my cousin, Willina's death. No one was nicer and more considerate than her. I did enjoy the time we spent together going to Holden to visit and check on the well being of our Aunt Lucille who was in the Holden Nursing home. I learned from her much of the family history of which I was unaware. I know she is at peace with God. All of my condolences to Barbara and Donna and both of their families. Martha Saxton*
