“ my heart aches knowing that Helens loved ones are hurting. I pray that you can find peace during this difficult time, although I know it's tuff. Helen was a good woman. I remember when my dad would ask Kasey what's the thing you like most about Helen, she would tell him that Helen is a great cook.of course we were kids and that was important,you know. I ate many meals at their home, and Kasey was right, she was a great cook. She will be missed.

*Helen was not only a dynamic, intelligent and hard working woman, but by far one of the very sweetest, loving and caring women I have ever known. She took me under her wing as an 18 year old and loved me and taught me through some really crazy years. She was my matron of honor in Oct. 1973 and my dearest friend. Your Daddy, Norman, took pictures for my wedding and was a wonderful, sweet man...always making me laugh and feeling more important than I deserved. I have many fond memories of times at your house at the lake in the early 70's, long talks over the table and just hanging out with Helen. She loved her family so much. When I saw her 5-6 years ago, she was not about to let that wheelchair get in her way...still strong and determined as ever. May the life and legacy she lived be a strength as you mourn her passing, and may knowing how loved she was by so many bring you great peace in these days of grieving. My prayers are with you, Karen, Martin, Jim and family. God Bless each of you, Mindi Russell Rowe*

*Thanks to everyone for your kind thoughts and prayers. My mother was a very special woman. She had many good friends and family who loved her. My heart is warmed as I read and hear stories about her from people she knew and loved. I have many wonderful memories of her and my dad while I was growing up. She would make Martin and me wonderful birthday cakes, Halloween costumes, and take us to Girl scouts, cub scouts, dance lessons (well, I went to dance lessons, Not Martin haha), Both of my parents came from large families and cherished everyone. I have memories of huge family reunions, picnics, swimming at the lake, and camping in the mountains of Colorado. We had many trips to Swope Park and the zoo, Fort Osage, visiting with grandparents, and drives in the country. I remember my mother singing in the car when we were out running errands. I believe she had a good and fulfilling life thanks to everyone she surrounded herself with. After my father's passing, she was able to find love again. She and Jim married, and she started a new chapter in her life with 2 new children, Jimmy and Kasey whom she raised as her own. They rode horses and there were hay rides and pig roasts at their farm. Kasey gave Helen 2 beautiful grandkids. Grandma Helen loved and cherished Cody and then Jaci. She was so proud of them. She made sure I saw their pictures and always let me know how they were doing. She also had 3 step grandkids through my marriage to Dennis. Lisa, Michael and Robert . When they were younger, they visited her at the farm a few times and rode horses, and had Thanksgiving dinner there once I believe. She saw them several times at our house for holidays too. In later years they hadn't been able to see her, but she still cared about and loved them. She would especially ask about Lisa and they kept in touch on occasion with Christmas cards and such. Again, thanks for your prayers for my dear sweet mother.*

*Karen (Bosch) Nichols*

*Note from Dennis: Karen took excellent care of her mother while Helen was at John Knox Village. Being an RN, Karen always made sure that her mother's medical needs were being met and ensured that her Mom was as comfortable as possible. Karen decorated Helen's room during the holiday seasons to help lift her mother's spirits, something that made her mother very happy. Karen also did manicures for her mom, everyone knows how important a woman's nails are to them.*

*There is not enough room on this tribute wall to share all the happy memories I have of Helen and her family. She was one of my very best friends. We were scout leaders together, we took our kids swimming, ice skating to the zoo and much much more. It has been more than 43 years since we were next door neighbors, but the memories are just as vivid as if it were yesterday. We stayed in contact through Christmas cards and an occasional phone call. This year I did not receive a card at Christmas time, I wondered why and almost called to see how she was doing. How I wish I had!! thank you Martin for contacting me !!!*
