“ Prayers and hugs to the family! I worked for Helen in the restaurant for a little while. Most of the time she was all business but I saw the ornery side of her often as well. More than anything, she loved her family. You will be missed by many!

“ Prayers for Arlene, Beverly and their families for comfort and peace. Helen was an amazing lady. She loved her family and was so proud of them. Helen always had a smile and kind word. She was ready to help with whatever was needed. She also had a bit of a twinkle in her eye to keep you guessing. Heaven gained a good one.

Helen was my cooking leader in 4-H. She started me off on cooking, of coarse it was chocolate....lol - brownies to be exact. I took blue ribbon at the state fair. Now I love making all kinds of desserts but she is the one who started me down the path of cooking. I got to know her as a neighbor as well after my parents passed. I knew I always had an invitation for supper any time I needed company. That meant more than she will ever know, to know I was not alone. She was a Great lady and will be missed by alot of people.

My sincere condolences to Arlene, Beverly and Tonya and their families on their great loss. Now you only have each other and her memory to share. Take care of each other.
