“ *Isabelle was such a loveable and sweet girl. I always enjoyed having her stay at our house with my daughter, she was so much fun to be around. I have missed not seeing her in the last several years and was always glad to see her on the few occasions we would run into her when she was in town! My thoughts and prayers to the family for this life lost way to soon! May she be at peace in our Lord's house. I can see her laughing and singing with all the angels.* ”
