“ We are so sorry to learn of Ivan's passing.. We just learned of it, too late to attend his service. We had many good times in high school and working together. Our sympathy to his family.

“ I'm so sad to hear about Ivan. I have wonderful memories of him starting with our breakfast at the round table at Annie's. Then he would come to the store and ask me where things was. We had good times laughing, and talking. He was a good man who will always have a place in my heart.
