“ *There's so many things I want to say. Just don't know where to begin! the 2 things that stand out are the time we had a birthday party at cafe for him and we got him a BB Gun!! He had made a comment one time that he had always wanted one when he was little and never got one. The look on his face when he opened that present was PRICELESS!!*

The second fond memory was when I was doing the bookwork for him at the tire shop here in town. He was telling me about people not paying their bills. A lot of them were way over due. So we made a list of who and how much. When he went out to fix a tire for someone, I added 10% to each bill and put a note at the bottom saying it was going to be 10% added each month until it was paid, and signed my name as the collector!!! I hurried and put them in the envelopes before he got back and mailed them. A couple weeks later some of the people began paying their bills!! If they didn't I just kept adding. Not long after that, he closed the shop. I don't know if he ever found out what I did. If so, he never said. He was always so easy going. I Will miss him.

“ Nancy,

We send our deepest sympathy and prayers to you and your family.

Jack was our Sunday school teacher, we remember him as a kind and nonjudgemental man. He knew the Bible inside and out, maybe that is why he always had a calming affect on others and a smile on his face. He was good man and a TRUE Christian . Jack will deeply be missed by everyone who were blessed enough to know him.

Please share our sympathies with your entire family. We will continue to pray for you all.

Love,

Rick and Holly Vaughn
