“ Hi! I went to school with Larry in Holden .. and knew most of the family ...Larry was always fun and laughing . I'm glad to call him a friend for many years. I will add he was very proud of Denise and her nursing career at Mercy Hospital .. he spoke with love and compassion about her.

“ I enjoyed having early morning with Larry at "Brownie's (Market Street Deli). We would talk about his vintage cars, his man cave, and Ronnie's cabin at the lake. I send my condolences to his family and many other friends. God bless all.

RIP you were like family to us. Took my son under your wing like a grandpa to him. Thank you for your kindness and helping us when we needed it. You were so funny and I will cherish all of the memories we had. I will never forget the time you took up for me when it came to my ex husband and his family. Til we see you again Larry
