“ *My sister Jamie was a person with a big heart, loved unconditionally and gave all she could. Very popular and likeable with people. She was my first playmate, as we were only two years apart in age. I miss you sis.
I'll see you again one day. And as always, I wish I could have told you just one more time, I love you.*

“ *My sister Jamie was my first friend. We grew up like normal siblings arguing and fighting but If anyone even looked at me wrong-Jamie would scream and yell at them and threaten to beat them up if they ever messed with me! She had a loyal and faithful love for her family. She is and will be missed forever.*
