“ Dan and I are sorry to hear of your Dad's passing. I know how much you loved him. You were a devoted daughter visiting and taking Lizzie to visit him every week! And making sure his room was decorated for the season. I hope you will be comforted by the many beautiful and living memories you have of him! Sending love and hugs to you all!

“ One of my favorite things about my dad was his love and respect for animals. He opened his heart and home to many animals in need and also helped them find loving homes with others. If you'd like to honor him with a charitable contribution please do so at Shep's Place (<https://www.shepsplace.org>)
