“ I was so deeply sorry to hear Joan passed away. I also worked at OOIDA and loved talking with her. She was such a sweet lady! Many years ago she and I rode to St.Louis together. I was going to visit my mom and took Joan with me so she could spend a few days with relatives she had on my way there. We had the best visit on our trip together! My mom was Italian too and Joan reminded me so much of her as well as other Italian members of my family! We really found out how much in common we shared. She was a wonderful paisano! Love you Joanie!

My heartfelt sympathy to all of her family. May the memories you shared together last a lifetime and bring you comfort.
