“ There are some special people who come into our lives. JoAnne was certainly one of these people in my life. She always found a way to obtain anything my residents needed. I could always look forward to an occasional upbeat E-mail from JoAnne when I needed it most. I count her as one of life's blessings! Bev Spreeman

“ I worked with JoAnn for around 20 years I work in the Warehouse with inventory and she worked in the Care Center with inventory, I will miss her very much, if count were not right she let me know and then when it was inventory time she would call and say she was ready for her count sheets. She was always working hard for the Village. Love to her and to the Family she will be really missed. Elaine
