“ I worked with John at Rockledge, in Holden, we moved steel from the burned out building downtown, and became good friends, we were both P. K.s (preachers kids) I've always felt that he was a good man and counted it a privilege to call him my friend!!

Prayers and condolences to the family.

“ I remember John as a fellow classmate and friend and co-worker who used to work with me hauling hay when we were in high school. I now reside in Sylmar, California where I have been a Baptist pastor in this church since 1985. I have many fond memories of John when we used to haul hay together. May the blessings of God be with his family during this time of grief. Ray Grubb

“ I graduated with John from Holden High School. I haven't seen him since we graduated, but remember him as a quiet but kind young man. We just had a 55th class reunion and those that were there shared fond memories of John. Rest in peace, John. Jackie (Worley) Cunningham, Class of '62

The memories that I have with you are too numerous to count. You have been my BEST friend for many years and to have you for a brother has made me feel like the luckiest guy in the world and the most blessed. You will be deeply missed. I know we will see each other again someday. I love you very much.
