“ I haven't seen or talked with you for many years but I do remember coming to your house with your brother Clyde and was always welcome. You are a kind soul and I'm glad that you can be with your Sue again. God Bless you and your family that is left behind. You will all meet again.

“ My heart breaks for my Uncle John that was a blessed part of my life as a child as well as in my adult life . I have many memories of his family and mine enjoying the simple things and laughter abound. His love of classic cars, animals and hugs . I have lived away from Missouri for most of my adult life and have missed many events throughout the years . Births, reunions, and deaths such as this one. My heart has never been far from Missouri even though physically I cannot be there as often as I want. My heart is there with you all today as another precious soul goes home to be with Jesus. You will be missed Uncle John but NEVER forgotten. I LOVE YOU! Give Aunt Sue & Aunt patsy A Huge hug for me !

John was one of my dearest friends. I will miss his wisdom and always making me laugh when I was feeling down. He allowed me to vent about my health when I know he wasn't feeling well. I know he was a God-fearing man as we had many chats about it. I am sad for his passing but know he is in Heaven with Sue and that reunion must have been spectacular.
