“ *Judy I know that you are a beautiful woman filled with love and that you had your ups and downs with your health ... I miss you and yet know in my heart that you are in Heaven with my sister and your friend that you loved a lot along with your parents and other family that have gone on before you. I can almost picture your home coming celebration in Heaven with God and his son Jesus, being greeted by all of the Heavenly host. We will meet you there when it's our turn, but for now I know that you are another Angel watching over your family and friends. I Love you my friend.*

“ *Judy was a very loving kind person. When I met her my first thought was oh holy crap what is this lady going to think of me. But within just a few minutes all was good she made me feel at home and was Very sweet and giving. She would do anything for anyone. I really missed her and am sad to hear of her passing. I am happy she no longer suffers and is at peace. If anyone deserves peace she does. I love you Judy! Fly with the Angels! Gods Speed My Lady!*

“ *Judy, You have always been someone I respected for being you, You was always willing to help everyone without anything in return. You made me smile & laugh with your witty humor. I know that my life was better for you being in it. I am glad you will have no more suffering, but I know you will be leaving a huge void in the lives of your sister & brothers, & in all of your children & grandchiidren lives. You will forever be part of my Heart!*
