“ I first met Katie as an Auxiliary member of WMMC. She was always such a sweet caring lady and very generous. She handmade and donated a lovely quilt for an auxiliary raffle...I was the lucky winner. I shared with her that the colors were perfect for our guest room and each time I enter that room I think of the sweet lady who shared her love and talents with others. Rest well dear friend!

“ I have known Katie for a quite sometime when she used to work at the grocery store and always asking how my children were and she was such a sweetheart and the most caring person I have ever known. Even though I still see her in places such as churches and the hospital. God bless to the family of Katie and prayers be with you. Love Tanga Hancock

Steve and I were saddened by the news of Katie passing. Steve just lost his mom as well and we know how hard that can be. We will be praying for the family and hope that you feel God very near to your heart especially at this time. We will be sending a gift to the Christian Relief Fund in her memory. We definitely wish we lived closer so we could be with all of you, but just know we are there with you in spirit. Love, Steve and Kelly

“ A neighbor and friend, always busy working at something. Great family that worked helping my dad when he needed it and we helped combining Chris's crops. Katie was always supportive and a kind person. She could be counted on to help out at church and was very dependable. We will all miss her!
