

Kimberly Anne Garrett

August 29, 1970 - May 30, 2024

Kimberly Anne Garrett, 53 of Holden, Missouri passed away on Thursday, May 30, 2024, at Research Medical Center in Kansas City, Missouri. She was born Saturday, August 29, 1970, at St. Luke's in Kansas City, Missouri to Richard and Arlene (Huther) Garrett Blake. She had four children Josh (Clarissa) Bowlin, Jeremiah Bowlin, Brandon Bowlin and Michael Drake

She passed after a very sudden, brief battle with an aggressive cancer. When she passed, she had the most beautiful smile on her face.

She loved gardening, crocheting, old hymns, antiques, dragonflies, precious family time but most of all Jesus and spreading the Good News to bring others to Him.

Kimberly's life was a living witness to Matthew 22:37 "Jesus said unto him, thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind." Second, only to her love for the Lord was her love for her family. To say that she will be greatly missed is an understatement yet knowing that she is now in the presence of her beloved Savior brings great peace, comfort, and joy.

Being mindful of the fact that our awesome God doesn't waste anything, Kimberly Anne chose to donate her body for scientific research. We've already

been informed that 2 people will receive sight through her corneas. Our prayer is for there to be a breakthrough in cancer research through her gift.

Kimberly is preceded in death by her father Richard; Paternal Grandparents Eunice and Harvey Garrett; Maternal Grandparents Agnes and James Thomas and John Huther

Surviving her passing are her mother Arlene (Huther) Garrett Blake; her children, Josh (Clarissa) Bowlin, Jeremiah Bowlin, Brandon Bowlin and Michael Drake.

Siblings, Jodi Garrett, Shelby Garrett (Wife Tammy), Lynette Zimmer (Husband Bobby)

She also leaves many nieces, nephews, aunts, and cousins that she loved dearly.

There will be a Celebration of Life service to remember, and honor Kim on Tuesday, June 11 at 6 PM at Living Faith Lee's Summit 1121 SW Hook Road. Lee's Summit, MO 64082.

“ Kimberly was a terrible person. Abusive towards her kids and anybody else who had the misfortune of stepping into her house. She was hateful, cruel and insulting. She did not embody Jesus' teachings at all, and anybody who says she did is lying, because that's what you do when somebody dies. You lie about how great they were.

“ My daughter Emily first met Kim at the original Price Chopper location when she was in 5th grade. She was in charge of a book drive at Daniel Young Elementary, and had asked Kim if she could put some bins in the entry way to collect books. Emily checked with Kim weekly throughout the drive. They became friends and talked to each other whenever we shopped. We often shared bad dad jokes with each other, taking turns talking about life events. Kim surprised her with b-day cake one year, and they always kept in touch over the years. Kim recently received Emily's high school graduation announcement, and was excited to be invited. We will always remember her as a great friend and fun person to be around. She will be missed.
