“ Larry Wright was a life long friend, mentor, and second father to me. I am honored to have known him and I am so proud that my kids got to know Larry and Fay as they have positively influenced their lives as well. I worked for Larry for a number of years in my early working life and he taught me the value of a strong work ethic that stays with me today. Larry and Fay have always welcomed me and my family into their home and we have shared many a cold beer and told numerous hunting and other life stores that I will truly miss. I am very saddened by Larry's death and I will truly miss him.
