“ *Where do I start? I remember sitting at our kitchen table having dinner when I was seven years old, and my Uncle Larry called to let my mom know that Lawrence had been born! They lived in CA, so I didn't meet him in person until he was fourteen, when they moved to MO.*

Lawrence had a good heart, and I know he loved his family. Its hard to make sense of this, but I have to believe you all have another guardian angel watching over you, and I find comfort in knowing he has been reunited with his mom. I know they will both watch over the family until you meet again on the other side. You have all been in my prayers. Sending you much love.
