“ *I lots of good memories of my nephew. But here is a few. I remember one summer him and Drake came up from Holden and spent the hole summer with me and my family and there uncle Burt. And also when Lee was in the 8th grade he was doing a work released project for school were he got to shadow someone for a hole day at there job. So he spent the hole day with me out on my route when I work with Mobile mini. It was one of the greatest memories I will ever have of him cause I was able to spend the hole day with my nephew just me and him.*
