“ I'm so sorry to hear of the passing of Linda. We went to school together, hung around together as kids but I haven't seen her since we graduated, although we were FB friends. My prayers for your family for strength and peace during these difficult times.

“ Linda was my cousin, I remember when Aunt June and Uncle Denny would come to visit my mom in Golden City, Mo. Mom (Aunt Eva Mae) loved Linda. During those young years of Linda's life one of the things I remember is her sweet laugh, Linda held a special place in my mom's heart as she did mine. I think maybe, my mom may have been with the rest of those that loved Linda and had gone on before to meet Linda as she stepped over into Glory! God Bless you all you are in my prayers cousin Carolyn

She was a sweet girl .At that time we were just friends .But as time passed I ended up marrying her Uncle and Linda became my Niece . “ *As I have thought about linda today I can't help but thank about so many memories of her. After she had graduated high school she went to collage in Springfield for what I thought would be years. Boy was I wrong, seems like as soon as I was getting all excited about getting to move into her room, we were going back to get her. My excitement lasted for only 2 weeks since she got homesick and friendsick. Linda I love you and miss you so much all ready. I now wish you were here to tickle me like you and Tracy would do when I was little. RIP my sweet aunt.*
