“ I had the privilege of meeting Louie at my automotive shop. He quickly went from a customer to a friend and we would frequently have conversations about cars kids fishing food and life. I always chuckled when answering the phone to his enthusiastic "hello there". He will be missed Rip buddy.

“ *Louis was a police officer in Holden many years ago. He was an officer who was interested in seeing young people were able to be corrected and put on the straight path without having to be arrested. He was someone you could talk to without feeling threatened. I am sure I was not the only one who liked Louie. He is worthy of a belated Thank You.*
