“ *I was saddened to read of Mike's passing. We lived in the same neighborhood when he and my kids were little. His and my parents were neighbors also. Over the years we would occasionally be in contact. Much too young to be gone,,,,,RIP Mike . My deepest sympathy to Mike's family. Linda Treu*

*To the Anderson Family
It broke my heart to hear that Mike passed away. He was the baby and his life was taken too soon . I remember Bob being my science partner in high school and him bringing in candy cigars when Mike was born . I grew up with the Anderson family and I have nothing but great memories. Calvin and Gracie were great people and I know they are welcoming Mike with open arms. Again so sorry for your loss . See you on the backside Mike*

“ Mike attended my fathers funeral and was so sweet to share a kind memory he had of my father. I think Mike was a lot like my dad. A strong man of God and faithful believer. A gifted voice that loved to sing praises. A humble servant. A husband, father, brother, son and friend.

Dear Anderson Family,

I hope you have peace knowing he is resting forever in peace in the presence of his Savior.

“ Mike was a childhood friend of mine and one of the three musketeers named Brian, Mike, and Amy. We played most every day; red light green light, Mother may I, and endlessly rode our bikes in circles on our driveway. We found delight playing in a cardboard house and eating cookies that his mom, Gracie made for us. When Mike was little he couldn't say my sister's name. Instead of calling her Julie, his name for her was Zulie which we all found endearing. This gentle giant was beloved and will be missed.

“ I worked with Mike at the jail until he moved to Missouri. We also attended the same church in Belvidere. Mike was such a great guy! He had a big heart and I remember having several conversations with him about his faith and family. His family and Jesus meant everything to him. Please accept my deepest condolences!
