“ One of the sweetest, kindest ladies I knew. She was my nurse when I had our son in 1986! She later was attending the Nazarene church in Warrensburg where she became our family's friend. She would invite me over to her pretty Holden home to have coffee and chat while my husband would tune her piano! Norma was a blessing to many! God bless you, her family.

“ Celebrating the victory of life in heaven now with family and Jesus. We're so sorry for the loss of her companionship here on earth, but take assurance that her life is much better now. I became acquainted with Norma through the Nazarene Church in Warrensburg when she occasionally attended. I also remember her through WMMC. May God shower blessings of peace upon the family at this time.

“ Norma worked with me in the Operating Room for many years. No matter how busy or stressful things were I could count on her to be a calming presence in the middle of the storm. Norma's kindness, compassion, generosity, and respect for everyone is what made her such a treasured friend and co-worker. God's speed Norma, and may the Lord bless and comfort the family.
