“ I am so sorry to hear of this, I remember working on the Dairy farm during the summers when I was 12-15 years old (back in the late 70's early 80's). Many fond memories on the farm while living with my cousin Curtis and staying with Steve and Debbie at times. And of course the lunches made by Dana were out of this world, My prayers go out to the family.

“ After being away from Holden since I was 19 and now am 82. Brief visits to my family and always asked about Norman as I worked with him when I was 10 to 14 years old. Norm was always a great guy taking me under his wing as he was 10 or 11 years older. Norman was the dairyman while his father, Chalk who was my uncle, worked the farm. I spent summers with them and worked on the farm. Norm is finally at peace and will probably help the family of God with the Dairy. May he rest in peace.

“ Norman and Dana were a wonderful Christian couple! I enjoyed being their pastor at Enon Baptist Church from 1994-1998. Norman was joy to know. I'll be glad to see him again in heaven one day because of Jesus our Savior!
