We got to know Phyllis thru her beautiful outfits that Randy & Juanita would model for her at State & local special dances. Phyllis really had a special creative talent. She will be missed.

“ We met Phyllis and Curt at Fun Valley Resort in Colorado where we all enjoyed Square Dance week. Several couples from Western Twirlers traveled there for five or six years. Phyllis was always the life of the party, so much fun to be around and we miss those great times we had with her. Our condolences to Curt and their family.

“*Dub and I shared many years of friendship with Curt and Phyllis through square dancing, and valued our shared love of dance and travel to special dances or to a District meeting, State Festival, or just Club dances. She was always full of surprises and fun. Her quilts were works of art, and her hats were always good for a smile! She will be missed by so many friends and family, and we send our deep condolences to all. Bet she has a sewing machine set up already and a stash of fabric!*”

“ We met Phyllis and Curt in 2008 at Fun Valley in CO while attending a square dance week. We were so looking forward to seeing them at Fun Valley again this Aug. We became fast friends and have played thousands of card games together over the years. They would visit our home in TX and we would stay at the RV park they created for us at their home in MO. I am a proud owner of a quilt she made for us. Rest in peace dear lady in the hat...I hope you know how much we loved you and will forever cherish the times we spent together. I wish we had played just one more hand of cards or danced one more tip.
"May the choirs of Angels come to greet you, may they speed you to paradise. May the Lord enfold you in His mercy."
We are heartbroken.
