“ *Love and miss you so much sis. To many memories to mention. I was going to list them, then I thought if I did God might kick you out of heaven. Man, did we have some good times though. Never a dull moment. I've laughed and I've cried so many times just thinking back. What a friend you were. Who has my back now? Love you. I know, I know, I can't say goodbye. so see you later*
