“ Richard and I were best friends growing up in Holden, threw our junior high years. We ran track together, and of course got into minor trouble together. LOL We were always together! Coach Curry would even get us rides home after practice together. We rode in the back of several upperclassmen’s pickups together, and he always insisted on me getting dropped off first so I wasn’t alone with anyone he didn’t know. ❤️ Coach would get on to him for not running his hardest in practice (on the road) because he didn’t want to run away from me. When I think about my days in school and Holden he is one of the first memories that come to mind. Richard was truly my best friend. He will be missed.
