“Megan and I spent a lot of weekends together at her Dad Ricky's house growing up. He was a sweet man who had an amazing cake decorating talent. Who knew that rough construction worker had such a creative flair? At his house I experienced being chased by a crazy rooster, having a HUGE Great Dane sit in my lap like he was a puppy and feeding a horse for the first time. Such treasured memories.

My heart breaks for the Waters family you are in my thoughts.
