Thank you so much for posting this... Really let me know how out of the loop I've been ... I wasn't accepted by many in Holden after moving there, but Jimmy was one of the best guys I've known .. Eddie taught me alot about them old cars and was always like a big brother..Rita was like a sister I never had.. Sweetest girl you'd ever want to know.. Just learned their kids have passed too, and that hurts too.. God Bless them all.. In my memories they will always be family..
