“ *Bob Corlew the fun loving daredevil. As you can see in the picture he has a silver tooth due to going head first down the slide at the Holden pool. I can remember so many “Hey watch this” and sometimes it was awesome, but many times it ended in injury....front yard football, fireworks, etc. This time when he was falling Jesus caught him. Thank you God for his life!*

“ *Bob and I met head-on (literally) on the playground at Holden Elementary, and within a year, by marriage, we were cousins. We had some great times together, and I was proud to see him raise three great kids.*

Some family and friends are meeting at the Mexican restaurant on East 58 from 6:00pm to 8:00pm or later, Monday, October 24, to trade stories and celebrate Bob's life. Please join us, and let friends know if you can. Thanks.
