

Samuel Morgan "Sam" Chapman

September 22, 1964 - April 6, 2021

Until we meet again...

On Tuesday, April 6th, 2021, Samuel Morgan Chapman, loving husband, and friend, went to his heavenly home at the age of 56.

Samuel (known to friends and family as "Sam") was born on September 22nd, 1964 and grew up in Levittown, Long Island. On March 30th, 1996, Sam married the lovely Jane Marie Woodward. Later in life, he received his associate degree in Computer Science from Metropolitan Community College in Kansas City in 2011 and was the Technical Support Lead with KC Web Specialists LLC for 9 years.

Sam always said that riding his Harley was his "therapy". He was proud to be the VP and Webmaster for the Freedom of the Road Riders of Missouri (Local 33) and was a part of the Patriot Guard Riders (Standing for Those Who Stood for US). Back home in New York, he volunteered as a fireman and EMT. A proud Eagle Scout and US Navy Vet, Sam enjoyed being in the great outdoors, hunting and spending time with his two dogs, Bear and Fred. He was a Hamm Radio enthusiast (handle K2HOG), always getting a kick out of talking with folks from other parts of the world. He always had a mischievous twinkle in his eye, was always willing to be there for friends and never met a stranger.

Sam was preceded in death by his father, Malcom. He is survived by his wife of 25 years, Jane, his mother Connie, siblings, Jeanne, Leigh, and Sue, his daughter, Nicole, his Uncle Miller and Aunt Hannah Cook, several cousins, nieces and nephews, and many others, including his wife's loving family.

Samuel Morgan Chapman's Celebration of Life will be at New Hope Baptist Church (1188 MO-58, Holden, MO 64040) on April 17, 2021. Services will be from 10:00 a.m. – 10:30 a.m. with Visitation and light refreshments to follow.

FORR (Freedom of Road Riders) Local 33 - Kickstands up leaving the church at noon, doing a two hour ride, end at AMVETS around 2:00 p.m. We will be escorted by the "Til We Ride Again" Hearse.

Please Note: The driveway at the church can fit many bikes so come on out. If you don't want to come to the service show up at 11:00 a.m. and get in the lineup. Thank you all, Jane Chapman

In lieu of flowers memorial contributions may be made to Jane Chapman in care of Campbell-Cast Funeral Home, (407 S. Pine, Holden, MO 64040).

“ I've known Sam professionally for five years. I'm stunned to learn of his passing. We just communicated a few weeks ago. To his wife and family: I am so, so sorry for your loss. I never met Sam in person, but I felt like I knew him from our frequent email communications. Sam worked on our websites. He was always professional, responsive, and he knew his business. He helped me out of a jam many times. He will be missed.

“ My heart goes out to the Chapman family. I am so saddened to hear of Sam's passing. We had so many good and bad times together throughout our younger years. Even though we had not spoken since our late 20's, I have never forgotten him and never could. He always had my love even when he changed my tire and forgot to tighten my lug nuts, LOL!!!! I will never forget our trips to Great Adventure or camping at Lake Minnewaska. There are so many things about our friendship that have given me with a lifetime of memories. If there was fun to be had or trouble to find, we always seemed to be there. May you rest in peace and ride you way through the heavens. "McCherrio's"!!!!

“ My husband and I have been friends with Sam & Jane for many years, and there are too many great memories to count. A funny one was when we were all together and talking about ice cream. Sam said his favorite was "Moose tracks", and that he would whisper it to Jane from a distance (like a subliminal message), so she would go make them a bowl. We had a good laugh about that. Later that evening, the phone rang and I answered. All I heard on there other end was "Moosetracks...", then *click*. What a jokester! He was such a neat guy, who will be greatly missed by all who knew him. Rest in peace, our brother in Christ.

Sam so many memories are coming up of your funny tricks such as after you secretly shake a carbonated bottle of soda, you Turn around and nonchalantly ask your unsuspecting sis to help open it because it was stuck. Then surprise, pop and fizz and the sound your laughter.
