“ I knew Shirley from the little town of Bowen, and we were in the same grade at school, We also rode the same bus each day for a lot of years...Like the rest of us country kids, we made our own fun and played together...She was always a very nice girl, and playmate..My condolences to all her family.

“ I have known Shirley almost 50 years. She was a hard working wife, mother, Grandmother and great Grandmother. She loved the Lord and would give the "shirt off her back" to help anyone. May her family remember the kind things she did in her life. My condolences to all the family.
