“ We really didn't start hanging out together until our senior year. There was a whole group of us and I remember lots of laughs and silliness going on. There was me, Vickie, Lavise, Julie, Denise, Melanie, Linda, Becky and I can't remember who all else. I do remember Vickie was a hoot and so much fun to be around. Her brother Bobby is who took me to all the parties on graduation night and he treated me like a sister. Thanks for the happy memories my friend. Praying for the family. Fly high Vickie. 🙏🏻🙏🏻❤️👼

“ I became friends with Vicki a few years ago while visiting my mom who was her neighbor. First time I spoke to her she called and asked if she could give her dog, Amber, to my daughter. They had bonded when we visited mom and Amber would run across the street to moms house. Many years later, we began to visit in my mom's yard and discovered that we had some things in common . She would call when she needed to talk or just to tell a funny story! Like the time she almost pinched my son in law's bottom because she thought it was a friend of hers! Of course I had to laugh and tell her he was the preacher in Bennett Springs! LOL! We had a laugh about that! Vicki was a great friend and I will miss her friendship a lot.
