“ *Billy will be truly missed by his friends and family. It was a privilege just to know him. He was kind to everyone he met. He always took the time to talk to everyone. I miss the days when I was attending college in Warrensburg and I would often see Billy while he was walking around town. He would make the time to talk to me when I would see him. He was so dedicated to walking as often as he could. He had a huge heart and thought about others. His smile could brighten up a room. He was someone who truly cared about those around him. He loved his family so much. He was one of those people who was easy to love. He will be missed so much.*
